Phone: 336-573-9393 • 336-573-9695 • Fax: 336-573-2020

Notice of Rate Changes

Effective July 1, 2026, water and sewer rates for the town of Stoneville will increase. This adjustment is necessary to ensure the solvency of the enterprise fund, address rising costs associated with providing essential services, and support the long-term sustainability of our infrastructure and operations. Rates are reviewed on an annual basis by the Town Council; however, they may also require a midyear adjustment as Mayodan evaluates the rates that they charge to the town of Stoneville for water and sewer in January.

Due to an increase in rates charged by Waste Management, monthly garbage collection will increase from \$15.38 to \$16.50, and the monthly recycling will increase from \$3.81 to \$4.50.

The new rates will appear on your August utility bill. The rate chart is included on the back of this document.

There will also be an increase in the vehicle tax and golf cart renewal.

The vehicle tax rate will increase from \$5 to \$15 per vehicle. The increase will be used to support the need for new equipment within the fire department. The annual renewal fee for golf carts will increase to \$25. This increase brings the town in line with surrounding municipalities.
